

BELMOND

EC130 BELMOND BAMBOO EXECUTIVE BALLPOINT PEN

Impress with the Executive's sophistication of a hinged metal clip combined with its eco conscious bamboo wrapped brass body. Understated elegance and contemporary global awareness.

Bamboo is a natural fiber; therefore, noticeable shade variations and grain patterns may be apparent within orders of the same item. Due to our high standards of quality control, we must advise that slight irregularities in the bamboo of this item may result in imprint imperfections but are consistent with the natural look of the product.
