ST4781 BOSTON SOFT COVER JOURNAL/PEN COMBO

This soft black cover, non-refillable perfect bound Boston journal has neon colored first and last pages surrounding the 256 ivory lined, perforated pages with black color edging. Two black elastics are your security detail; the elastic pen loop keeps the included I151 Veneno 3-in-1 pen/stylus/highlighter in place, while the elastic closure hugs the cover to ensure the pages of your notes are held tightly closed.
