T226 ETTA

WIRELESS SPEAKER SET

(Silcone carrying case included)

Available Color:

Clear

The timeless style of Etta's chrome speaker grill stands out boldly against its clear plastic body. The perfect companion for home or office, this wireless speaker with passive subwoofer has a built-in microphone and offers a playback time of 15 hours after only 3 hours of charging. After 10 minutes of idle not being paired with your device, there is an auto-sleep feature to conserve your charge.
