

SANDY

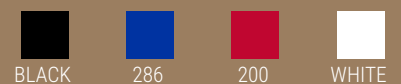

EC134 SANDY FOOD STORAGE BOX

When it's time to bring your snack to work or to store your leftovers, no more plastic wrap! Keep your sandwich, salad and fruit in this eco friendly bamboo storage box with the lid made from 100% bamboo and the base, 60% bamboo fibers. Sandy is freezer safe and the container is dishwasher safe and comes packaged for eco-conscience gift giving in a natural colored corrugated tuck-in box. Choose from a selection of colored silicone bands to compliment your logo and choose from laser engraved branding on the bamboo lid or silk-screening on the container.

Bamboo & bamboo fiber are natural materials, therefore noticeable shade variations and grain patterns may be apparent within orders of the same item. Due to our high standards of quality control, we must advise that slight irregularities in the bamboo of this item may result in imprint imperfections but are consistent with the natural look of the product. This product is not 100% leakproof & not intended for microwave use.
