

EC3028

ECO

NOTEBOOK PACK

This 3 pack of non-refillable single meeting eco notebooks is the perfect companion at every seat around the conference table. Made with 100% recycled materials, each EC302 notebook has 96 lined pages and is the ideal choice for a multi-day conference or convention event. Just enough space for notetaking and the ability to organize each day or topic in their own book. Proudly advertise your message and provide a useful outline of the conference schedule in bold full wrap 4CP on the cover of the envelope wrap box. When you are back in the office, reuse the packaging to file your notebooks together for convenient reference and follow-up before the next round of meetings
