A5 ZIP JOURNAL WITH 5,000 MAH  
WIRELESS CHARGING POWER BANK

# WIRELESS CHARGER

The traditional journal joins the digital age! This Fabrizio zip journal with both wired and wireless charging technology has it all. An integrated wireless charging 5,000 mAh power bank, with built-in NTC overheating protection & FOD (Foreign Object Detection), 4 convenient card slots, 2 document slots and a pen loop to hold your favorite color-matching Fabrizio writing instrument (not included). The included spiral bound refillable notebook has 50 perforated white lined sheets with useful date feature and the inner notebook's black cover provides an additional branding option for your message.

WIRELESS CHARGING MOUSE PAD

# WIRELESS CHARGER

**Default Branding :**

**Debossed**

Centered on front (Default location):

4" x 4"

**Setup Charge: \$100.00**

The Ronan wood grain vinyl mousepad has an integrated wireless charging dock, built-in FOD (Foreign Object Detection) and a kick stand to support your electronic device at an angle while you are working. Simply plug Ronan into your computer with the provided 2 meter long charging cable, rest your phone over the wireless icon on the mousepad and then watch a movie or play your music while working on your computer without worrying that your phone will run out of power.

*(Compatible with phones equipped with wireless charging technology only.)*
